August 2016

August Program- Composition by Keith Jones

Keith Jones, Associate Professor of Art, Graphic Design, Photography at UAH, will be our guest speaker on the 8th of August. He is well known to the HPS community as he has judged 13 monthly contests over the years. This time he will present a lesson on composition, with the Old Masters paintings as a starting point and working his way to contemporary photography.

This lecture will be a great time to learn additional tips from a professor whose career has spanned both the commercial and academic worlds.

3CT Fall Event

The Lawrenceburg Photographic Society will host the 3CT Fall 2016 Event, Oct 28-30, with Davy Crockett State Park as the base for the weekend, and a nearby Amish community. Mike Pilkinton, President of the Lawrenceburg club is working with the park and other locations to make sure there is plenty to shoot and to do for those that are not photographers. On Friday there will be an opportunity to shoot at Milkyway Farms, the Native American Center, and there will be a music concert. Saturday and Sunday will both include sunrise shoots. See the 3CT August newsletter for more info.

From The President

Just want to apologize for missing our last meeting. Unfortunately, we had a family emergency and had to have our dog put to sleep. I'm really interested in the Doorways and Walls competition, and was impressed with the images I've seen so far! Great job you guys!

The summer is almost over and I'm looking forward to some cooler weather and maybe doing some photo walks or event photography again. If all goes well, I am hoping to meet with our board this month to go over some ideas for our club.

Cliff Loehr

HPS Presents Canon Explorer of Light Rick Sammon

Photography Tips on PICTURECORRECT.COM

Types of Lenses and How They are Used by Steve Rutherford

Lenses are one of the most important considerations in photography. The lens you choose for each shot can dramatically change your results; its best to know how all the types work so you can make more informed decisions as a photographer in various situations.
