The Huntsville Photographic Society will have a three dimensional (3D) program on November 14<sup>th</sup>. The 2016 Photographic Society of America (PSA) Stereo Sequence Program will be presented. This program shows the winning short sequences of digital 3D images from photographers that participated in the PSA Competition. Winners were locally selected by members of the Huntsville Photographic Society and the Fayetteville Photographic Club. The program premiered at the PSA Annual Conference in San Antonio, TX, in September. It will be presented by Lee Pratt, HPS PSA Representative.

A discussion on 3D photography, equipment, and techniques will be held prior to the projected program. The audience will have 3D polarized glasses as used in most movie theaters.

## From The President

I am so excited about the weather cooling down and eager to do some photo walks. There are a few great opportunities happening this month:

**\*Nov 8:** Evening stroll in Big Spring Park. I will be at the fountain at 4:30 for a one hour walk (with my camera).

**\*Nov 10-13:** Apalachicola (FL), talk to Henry Norton for details.

**\*Nov 19:** Old Car City. I will be coordinating a day-trip - It's a 2.5hr drive, we will be leaving at 6AM and returning around 6PM. Entry fee is \$25.

**\*Nov 19:** APAC (Alabama Pre/Post Adoption Connections) needs a volunteer photographer to shoot 4-6 (new) families. This will be from 2 to 4 in the afternoon. Contact Kendra 256.539.5828 if you are interested.

This month's photo contest topic is "Smoke". Have fun and remember Huntsville is very dry this time of year, please do not burn it down!
