FROM: Board of Directors, Huntsville Photographic Society
TO: Committee
SUBJECT: Competition Rules
DATE: July 28, 2001

The Board of Directors has selected a diverse, knowledgeable group of HPS members to meet and study the Digital conundrum. They will arrive at a fitting solution and report back to the full membership with a written recommendation to be voted on.

The committee may choose to research the history of photography to see if there are parallels, which lend themselves to our present situation. They may also contact other clubs and associations to see if digital photography has presented a problem within their clubs. If it has, perhaps they will tell us how they handled the problem.

This will not be a hasty process as it should be thoroughly researched and discussed, however, if a change in competition rules should result, they should be in place for the beginning of the 2002 competition. The committee chairperson will arrange meeting times and keep the committee busy on task of solving this club splitting problem. The board will be available for help and guidance as requested, but otherwise will refrain from interference.

The members of the committee are as follows:

Sheila Mangus, Monica Martin, David Blue, Rodney Durrett, Barbara Staggs, Jenny Webster, Harry Kinnane, Roberto Puon Barry Jackson, and Doug Felton

The chairperson will be Monica Martin. She will contact you for meeting times.

Respectfully yours,
Don Bennett
President,
Huntsville Photographic Society
